This document [How-to-share-a-document-to-a-registered-organization](#) will explain how to share your transcript with a post-secondary institution.

FOR STUDENTS AND PARENTS FROM PREVIOUS ISSUES: OLD STUFF

- [MN-S Kaashkitamaashoohk \(Graduation Sash\) Program | Métis Nation Saskatchewan](#)
Graduation is a pivotal time in any student's life. The Métis Nation–Saskatchewan (MN–S) Kaashkitamaashoohk (Graduation Sash) Program wants to celebrate academic success by gifting special, commemorative sashes to our citizens graduating in 2025. The goal of the program is to encourage youth to demonstrate their Métis pride by wearing the commemorative sash during 2025 graduation ceremonies. To be eligible for the MN-S Kaashkitamaashoohk (Graduation Sash) Program students must be registered MN-S citizens or in the process of becoming registered citizens. Contact info@mnsregistry.ca for information about the registration process. Graduating students will each receive a Métis sash package that includes:
 - Branded Sash, Pin, “How to Tie a Sash” Infographic, Personalized letters from the MN-S President and Regional Representative
 - Are you interested in working as an Early Childhood Educator (ECE)? Here is some great financial help for you to consider: Contact: [Wendy Therens](#) (306-787-6108).
 - Saskatchewan Polytechnic is providing bursaries to Year Two ECE diploma students. Students will receive a \$16,000 bursary, one in October and again upon successful completion of their final practicum. Find out more [here](#) and clicking on Ministry of Education Grant.
 - Collège Mathieu offers the Diplôme d'éducation à la petite enfance program. Qualify for up to \$3,500 in scholarships for each year of study. More information [here](#).
 - SIIT is providing between \$500 and \$1,000 per student in bursaries for completion of ECE Level I, II, III, practicums and the Indigenous Early Childhood Education Advanced Certificate. Contact SIIT [here](#).
 - Tuition-Free Early Childhood Education Dual Credits Courses Available
 - Take early ECE dual credits to simultaneously earn high school and post-secondary credits, and qualify to become an (ECE) Level I. Register for free ECE dual credits through [Sask Poly, Carlton Trail College](#) and [Suncrest College](#). Following completion of the three dual credit courses, students must [apply for Early Childhood Educator Level I certification](#).
 - Keep an eye out for more info about the Robot Rumble from Sask. Poly. The event will be May 8. Registration opens Feb. 3 and the deadline to register as a school is Mar. 21. There are 20 free kits.
 - Are you interested in university, but a little nervous? [Bridge To Campus](#) is an organization dedicated to help students in rural communities access resources when applying to university and experience a seamless transition into university by setting up students with webinars and 1:1 mentoring. Although they are based in McGill, they will help all students. Students, parents, and teachers are welcome to contact them, and all services are FREE.
 - Students 16-18 interested in volunteering in the health care field, consider the Volunteer Program where you go into hospitals and health centres to spend time with patients and help health care professionals. Contact [John Paul Hickie](#) (306-630-7405).
 - If you have any type of disability and you plan to attend post-secondary in the fall, contact the [Saskpolytech Accessibility Services](#) or [U of R Accommodations](#) or [U of S Access and Equity Services](#). Start the process as early as possible.
 - Looking for scholarships? Check out the [Scholarship Library from mycampusgps.ca](#). It's a paid service, but you can acquire great information to be able to be well-prepared in grade 11 to apply for scholarships in grade 12.
 - If what you're doing to help you figure out some career possibilities just doesn't seem to be working, you can have a look at a [Career Assessment](#) from Ken Coleman. It provides you with some assessments to lead you to understand your talents, passion, mission, and vision, as well as some practical options for potential industries and occupations that could be in your wheelhouse.
 - Are you taking training for a trade for your post-secondary or are you entering the workforce in a trade? If so, you have only a short time to complete your [Sask. Youth Apprenticeship Challenges](#). Doing SYA allows you to acquire 300 hours of trade time, free level 1 technical training (potentially saving nearly

\$900), free registration (\$250 savings), and a shot at one of the 100 scholarships worth \$1000 across the province.

- Students 16-18 who are interested in volunteering in the health care field, consider the Volunteer Program where you would go into hospitals and health centres to spend time with patients and help health care professionals. Contact [John Paul Hickie](#) (306-630-7405).
- Learn about education lines of credit, scholarships and bursaries, Can/Sask. Student Loans, First Nations and Metis Band Funding, and other post-secondary funding at the [RDIEC](#) event: Parents as Career Coaches: Funding your Child's Education.
- Keep up to date on the [RDIEC YouTube Channel](#) for all the newest virtual spotlights.
- Interested in health sciences? Saskatchewan has agreements with post-secondary institutions in other provinces to reserve seats for eligible Saskatchewan residents in specific health training programs not offered here. The programs include Respiratory Therapy, Nuclear Medicine, Diagnostic Medical Sonography (Ultrasound), Occupational Therapy, Magnetic Resonance Imaging (MRI), Cardiovascular Perfusion, Electroneurophysiology, and Prosthetics and Orthotics are offered in Alberta and BC schools.
- Have a look at the [Health Science Fact Sheet](#) for more information on health programs in and outside the province. Check out the expansion of the [Health Training Program Opportunities](#).
- [WorkSafe Saskatchewan](#) provides residents of Saskatchewan with free, online health and safety education certification. This is a great opportunity to include in your resume when applying for a job. Courses include Bullying in the Workplace, Hazard Identification, Mental Health, Violence in the Workplace, WHMIS, and many others. [Course descriptions](#) are available. Once you go through the [registration](#), and declare yourself as a Saskatchewan resident, your total cost will be zero dollars. You can then begin taking the courses you chose.

FOR CWEX, CAREER ED., FIN. LIT., SCIENCE, PAA TEACHERS, CAREER COUNSELLORS: NEW STUFF

- Are you teaching anything to do with mining? Developing the next generation of workers is essential for the sustainability and growth of the Canadian mining sector. As such, the Mining Industry Human Resources Council (MiHR) offers a comprehensive and free educational curriculum package designed to introduce students in grades 7 to 10 to the exciting world of mining, and a Career Ambassador program to promote mining careers to youth through speaking engagements by industry experts. Both programs are based on MiHR's successful [Mining Needs You](#) career awareness platform.

Our Curriculum offers:

- **Real-World Connections:** Students learn how cutting-edge technology and everyday items like phones, tablets, and smoke detectors rely on mined materials, making learning relevant and engaging for students.
- **Interactive Lessons:** Our curriculum includes 12 unique lesson plans with hands-on activities and interactive themes that bring the mining industry to life.
- **Curriculum Alignment:** Each lesson is designed to align with provincial curriculum standards, ensuring that your teaching meets educational requirements.
- **Focus on Sustainability:** Teach students about the mining sector's critical role in the transition to a clean economy, emphasizing safety, environmental consciousness, and cutting-edge technology.

Help youth explore the many career options in Canada's mining industry.

Careers in Mining: A Teaching Resource

Incorporate our curriculum in your grade 7-10 classroom today to inspire the next generation.

 - Saskatchewan Youth Apprenticeship (SYA) (overview of skilled trades, apprenticeship process, and educates students on SYA—45 minutes)
 - Saskatchewan Youth Apprenticeship and Virtual Reality (condensed overview of skilled trades, apprenticeship process, and educates students on SYA, followed by the opportunity for students to try out a trade using VR technology—3 hours)
 - Saskatchewan Youth Apprenticeship and MyATC Registration (overview of skilled trades, apprenticeship process, and educates students on SYA, followed with a student registration walkthrough of MyATC—60 minutes)

There are **2 pathways** schools can choose to participate in free training from Sask. Safety Council:

- **Career Safety Education Guided Pathway** – This is a hands-off system that allows students to take 1 course at a time in a specific order to help build their knowledge at each step. They take New Worker Readiness, Mental Health Resiliency, WHMIS, Hearing Protection and lastly, an industry elective. This ensures the learner is building the knowledge at each step that can be used to help understand the next course content. To register for the Career Safety Education, complete the profile request form [here](#).
- **Self-Learning Pathway** – The learner is given access to all the free training, allowing them to pick and choose what courses to take based on what they need. This pathway is recommended for those that already have a foundational knowledge of workplace safety, risks, hazards, and control measures so they can comprehend the material in the courses. It is also the one used if you only want a single course or access to courses in a different sequence than is recommended. For all-access to the programs in the self-learning pathway, complete the profile request found [here](#).

What teachers responsible for young workers need to know:

- **Commonly Confused** - Young Workers Readiness Course & Career Safety Education
- **Young Workers' Readiness Course** is a single course that is required to work in Saskatchewan for those aged 14 and 15 only.
- **Career Safety Education** is a series of voluntary training courses designed to prepare new workers at all ages for employment in Saskatchewan.
- [Register for MyATC here. Use this Cheat Sheet](#) to help you register.
- Skills Canada Saskatchewan: Trade and Tech Day is an opportunity for students to hear a one-hour presentation from Jayden Leister, a Skills Canada alumnus, who will speak about his involvement with Skills and how it prepared him for a technical career in the Royal Canadian Navy. Following the presentation, there will be two to four Try a Trade and Technology activities for students to receive some hands-on experiences in a variety of industries. If you are interested in a Trade and Tech Day and your school, please contact at [Jayden Leister](#).
- Keep up to date on the [RDIEC YouTube Channel](#) for all the newest virtual spotlights.
- Anyone teaching Career and Work Exploration (CWEX) please contact [Jeff Feeley](#) for CWEX employer folders, certificate frames, gifts, CWEX binder, or anything else related to CWEX. Or if you are new to teaching CWEX, please contact him to learn more about running the course. CWEX calendars are ready to go on [Connect](#).

UNIVERSITY OF REGINA: NEW STUFF

- **What is HSXL?**
The High School Accelerated (HSXL) Program allows students in grades 11 and 12 to take university courses while still in high school. This opportunity helps students jump-start their university studies, gain valuable academic experience, and earn optional dual credit applicable to both high school and university education. 
- **Tuition Reimbursement Award**
Students planning to pursue their undergraduate degree at the University of Regina may be eligible for the Tuition Reimbursement Award, which covers the tuition for HSXL courses once they enroll at the U of R after high school graduation. There is no limit on the number of HSXL courses a student can be reimbursed for taking. International students attending a Canadian high school on a student visa will only need to pay the domestic tuition portion—the University of Regina will cover the difference. To view the eligibility criteria, please [click here](#).

UPCOMING HSXL COURSES:

Fall 2025, September 15th – December 12th:

- English 100 Online. (Dual Credit: English B30)
- Business 100 Hybrid. (Dual Credit: Entrepreneurship 30)

Winter 2026, February 2nd – May 8th:

- English 100 Hybrid. (Dual Credit: ELA B30) and English 100 Online. (Dual Credit: ELA B30)
- Math 102 Remote. (Currently exploring dual credit option) and French 100 Online. (Dual Credit: French 30)

We are currently finalizing our course schedule, and once it is complete, it will added it to our [website](#).

- HSXL Winter 2025 applications open on **May 1st at 8:15 AM**. Students can apply via our new [application system](#). A step-by-step application guide is available [here](#) to assist with the process. We are finalizing the course schedule and application deadlines, and we encourage you to check our website for the latest updates. UNIVERSITY OF ALBERTA: OLD STUFF

- Are you students interested in pursuing a career in Education? We have a place for them here! Contact us at edrec@ualberta.ca to set up a presentation on our programs, admission process and teaching bursaries available specifically for students in your region.
- **Transition Year Program (TYP):** First Nations, Métis and Inuit students who may not be prepared to enter a faculty through the regular admissions route can apply for this university access program. This is not an upgrading program, but a full-time program in Open Studies.
- **Indigenous Recruitment Office:** Their team of coordinators can advise on application preparation, program selection, student financing and sponsorship and identity documentation. They also host on-campus events and Indigenous campus tours. Questions can be directed to indigenous@ualberta.ca.
- **Study Science at Augustana**
- Did you know Augustana offers Bachelor of Science programs ranging from biology to computing science to physical education? The smaller campus community allows students to participate in research as early as their first year. Students will also have access to state-of-the-art technology, like the [Hesje Observatory](#), the newest and strongest telescope at the U of A. Augustana's experiential format will leave students with skills in their chosen subject as well as transferable skills like writing and critical thinking. Students can indicate their interest in living in residence as part of the application for admission. After doing so, they will receive application instructions to their U of A email address. Qualifying first year students must submit their residence application by April 30 to be guaranteed a spot in on-campus residence housing on North Campus and Campus Saint-Jean. [Click here](#) to register.
- As part of their application for admission, students should report all completed and ongoing Grade 11 and 12 courses, as well as those they are planning to take. They may see a warning directing them to declare enough courses to be evaluated for admission - not doing so may result in a hold decision. If they have nothing else to add at that time, they can submit their application and provide new courses/marks using the Grade Update Form released in February.

- For students interested in applying to the Faculty of Nursing or Faculty of Education, most will be required to complete the Acuity Insights Casper Assessment.* Prospective nursing students should visit this web page or contact nursing.recruiting@ualberta.ca. ST. PETER'S COLLEGE: OLD STUFF

- Did you know you can take all U of S first-year programs at St. Peter's at Muenster, near Humboldt? Instead of being in a first-year class with 300-500 students in Saskatoon, how about a class of 15-20? As well, you can stack your U of S scholarships on top of potentially some of the over \$100,000 available just to St. Peter's students. Consider St. Peter's College. Counsellors, teachers, and principals can [book a tour or request information](#).

MEDICINE HAT COLLEGE: NEW STUFF

- MHC's Scholarship Application for the 2025/26 academic year is now open until June 1. Students can apply for scholarships here: [Financial Aid | MHC](#).
- Application deadlines for the **Paramedic, Education, Social Work and Bachelor of Science in Nursing** programs are coming up. Please encourage students interested in any of these programs to submit their application by the date: **April 20**—Paramedic, **May 1** Education, Social Work, Bachelor of Science in Nursing.
- MHC, in collaboration with CF Industries, is excited to announce we will be running our STEM For a Day event again, May 6th-8th. The STEM For a Day event is designed to bring awareness about various STEM related careers to our students as they think about their future. Counsellors, check your email for a registration form or reach out to info@mhc.ab.ca for more information.
- Are you attending MHC this fall? Class registration will open on May 1st. We recommend students register as early as possible to secure a seat in their desired classes before they fill up. If students need assistance with registration, please have them book an appointment with their program advisor.

Appointments can be booked by calling the advising desk at 403-529-3819 or through our [Online Booking Page](#).

- Do you have students who are curious about what to expect when they attend post-secondary? Student For a Day is an amazing opportunity for Grade 11 and 12 students to be immersed in the MHC experience. The Student for a Day Experience includes checking out programs that interest the student, connecting them with instructors and MHC students, touring our campus and residence and enjoying lunch on us.

MEDICINE HAT COLLEGE: OLD STUFF

GAP YEAR INFORMATION:

- Unsure of what you wish to do after grade 12? Consider [Discover Year](#), an innovative one-year life skills program that helps young adults better understand what they want and build the skills they need to go out and get it. Students learn a variety of skills and have experiences that prepare them for life after their gap year, whether that be the workforce or a post-secondary program. They travel, plan and do community service projects, do teamwork activities, learn financial literacy skills, and more. Application deadline for Discover Year is Aug 15 yearly. [Apply here](#).
- [Discover Year](#) has a virtual [Info Session](#) on Mar. 13, and May 13.
- Or check out [The Canadian Gap Year Association](#) for different options for a gap year after grade 12. Instead of an in-person year of activities, this organization has [several specific programs](#).
- [Stepabroad](#) is another option for a gap year. It's advertised as a working holiday. Destinations include Australia, Japan, New Zealand, United Kingdom, Spain, South Korea, and France, and the duration is anywhere from one month to three years, depending on the location. They assist students with acquiring work visas and all the red tape. This program is in conjunction with the Federal Government's International Experience Canada (IEC) Program. Other countries also offer the option of a working holiday. See the full list [here](#).

SASKATCHEWAN REGIONAL AND CAREER/VOCATIONAL COLLEGES: OLD STUFF

OTHER POST-SECONDARY INSTITUTIONS IN SASKATCHEWAN

CAREER COLLEGES

- [Career Colleges](#) also known as private vocational schools, offer over 160 vocational training programs in Saskatchewan to prepare students for employment in a specific occupation such as business, health services, fashion, esthetics, hairstyling, and more. These schools are privately owned and operated but must be registered with the Ministry of Advanced Education and have approval of the programs they offer.

SASKATCHEWAN REGIONAL COLLEGES

- There are six regional colleges across the province. They offer numerous post-secondary opportunities including trades (the same program offered by Sask. Polytechnic) and university classes (from the University of Saskatchewan and University of Regina), in addition to personal interest programs and courses. Often, these programs are not filled as quickly as Sask. Polytechnic programs. The regional colleges and head offices include:
 - [Carlton Trail College](#)--Humboldt
 - [Northlands College](#)--La Ronge/Air Ronge
 - [Great Plains College](#)--Swift Current
 - [Suncrest College](#)—(Yorkton and Melfort--merger of former Parkland and Cumberland College)
 - [North West College](#)--The Battlefords
 - [Southeast College](#)--Weyburn
